Student at K.J. Somaiya College of Engineering, Vidyavihar-Mumbai
Department : Electronics & Telecommunication

About Us

My Berif Introduction

I am Rozmin Waghu and I reside in ratnagiri, Maharashtra. My Father ,Mr. Nisar Waghu is a Bussiness Man and My Mother ,Mrs. Rizwana Waghu is a House-wife.I am currently pursuing my B-tech degree in Electronic and Telecommunications from K.J. Somaiya college of Engineering, Vidyavihar - Mumbai-400070. I have done my schooling in A.D.Naik high School, Ratnagiri. And completed my diploma from Government Polytechnic Ratnagiri.

In these past 3 year , I have developed as a person I have become more independent and have also developed interest in various fields like "IOT" related to which I did my final year project,"SQL For DataScience" , and recently I also felt the desire to learn the basics of HTML, Bootstrap ,CSS and java Script". And in future I desire to learn more and evolve. That is the reason I feel that this position at your organization will help me advance my skills and help shape my career.

Other than my technical knowledge I also love to play badminton and I am Passionate about drawing and designing. I would also love to teach children someday.If any one asks about My Strength , I would say I like to take Initiatives Inorder to complete the work , I m Adaptable to any kind of situation in estranged group & and I very attentive and helpful. My Weakness could be I am not at ease until I finish my work in the given time & also could be a little over friendly at times. My Short term goal is to get the job in reputed company like yours and learn new technologies.And My Long term goal is to become more knowledgeable and work at a respectable position in a company. That's all about me!
Thank you very much for giving me this opportunity to introduce my self.
